ABOUT THE FELLOWSHIP

Initiated in 2003, the Mid Atlantic Arts Creative Fellowships program annually supports fully-funded two-week or one-month residencies at VCCA for writers, visual artists, and composers from eligible mid-Atlantic states. A VCCA residency at Mt. San Angelo includes a private bedroom with private bath, a separate individual studio, and three meals a day in a community of cross-disciplinary artists.

Residency applicants living in **Delaware, Maryland, New York**, and **West Virginia** are automatically considered for available funding.

Artists who have previously received support through this program will not be considered eligible to receive another Creative Fellowship for the three years following a supported residency.

It is a true gift to step outside one's life and be supported for one's creative endeavors in a peaceful setting. The friendships made and space to work with little distraction and all your needs met is unique and for that I am grateful to VCCA.

-Elise P. Church, 2019 Mid Atlantic Arts Creative Fellow
